

## Follow these simple steps below:

1. On the VViral dashboard, go to your Profile tab dropdown on the upper right side then click on **Virtual Account.** 

2. Fill out the necessary information then click **Create**.

₽Vvir	al III	R 🚯.
Ramanand Pandey	Virtual Account Credential First Name Name Name Enail Passoord Passoord Passoord	٩
Giphy 5 Videos		Create
Quotes 6 Videos	Name Email Created Action	
Viral 4 Videos		
A Quote Videos		8

3. Once done, there will be a pop-up on the lower right side saying "User added successfully". You can see the added user account on the table below the Virtual Account Credential and just click on the **X** button if you wish to delete it.
